Camden Foodbank needs more volunteers

Can you spare some time? We need:

- People who can collect money at the mainline stations on 30 September and 28 October. Teams welcome.

- People who can commit to working three hour sessions when the foodbank is open, after training of course.

- A pool of people who can help with occasional supermarket collections usually on Fridays and Saturdays.

- Plus - drivers and strong people!

If you can help, please contact info@camden.foodbank.org.uk
