with open air foodstalls.

# St Pancras Church

## HAVE YOUR SAY

As we recover from the pandemic we want to better understand the needs in our community to help us plan for the future. Over the next few months we will be gathering ideas through a series of online and in-person events.

Please help us by completing a short questionnaire at <https://bit.ly/3qVyVOW>

## WHAT'S ON

Please contact us for more details about:

**EXPLORING FAITH:** The last year has raised many questions about life and death, and the search for faith and meaning. Join a discussion group, online or in person.

**CULTURAL EVENTS:** We hope to resume hosting free concerts, exhibitions and other events as soon as we can.

**HIRING THE CHURCH AND HALL:** Under current covid regulations the church can seat up to 100 people. Our hall in Lancing Street can seat up to 30. Both are open and available to hire.
