Book via St Pancras Church website stpancraschurch.org**

This one day conference seeks to encourage and equip women in ministry, lay and ordained, by inviting reflection on Biblical hermeneutics, feminist and womanist theological perspectives and homiletics. Combining academic rigour with reflective practice, Women's Voices Conferences have been running for over ten years in the Church of England.

We at St Pancras are delighted to welcome the conference to London for the first time, as part of our St Pancras Church Festival Weekend.

Revd Lucy Winkett and Revd Sarah Lee
