Independent examiner's report to the trustees of St Pancras Parochial Church Council

I report to the trustees on my examination of the accounts of the St Pancras Parochial Church Council, charity no. 1133802 (the Trust) for the year ended 31st December 2021.

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

The procedures do not provide all the evidence that would be required in an audit and therefore I do not express an audit opinion on the view given by the accounts.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Trustees' Report

The Trustees present their annual report together with the financial statements of the charity for the 1 January 2021 to 31 December 2021.

Structure, Governance and Management

The Parish of St Pancras is a parish within the Church of England as defined by canon law. Individual parishes do not have a separate constitution. They work within the framework of Church of England ecclesiastical law. The Parochial Church Council is a corporate body established by the Church of England and operates under the Parochial Church Council (Powers) Measure 1956. The St Pancras PCC consists of six elected members in accordance with Church of England Representation Rules together with two Deanery Synod representatives, two Churchwardens, and the parish's clergy and lay ministers. The pay and remuneration of the church's staff is set by the PCC.

The PCC has reviewed the operational and financial risks faced by the organisation and is satisfied that appropriate procedures and controls are in place to mitigate the impact of those risks.

Charitable status and public benefit

The PCC has considered the Charity Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion and is satisfied that the activities of St Pancras Church fall within such guidance.

Governance and Internal Control

The PCC is responsible for the finances of the Church, the production and implementation of statutory policies, and the general oversight and management of the Church and its activities. The PCC delegates the day-to-day running of the Church to the Church's officers and staff, allowing them to focus on vision and oversight.

The PCC has considered financial governance issues in the year and has in place a set of authorisation limits and dual signatory systems under which the PCC's officers authorize expenditure. Management accounts are produced on a monthly basis to enable the PCC to monitor the financial position of the church.

Objectives

St Pancras Church stands on one of the busiest crossroads in Central London opposite Euston Station. Built in 1822, it is a Grade 1 Listed Building, an early and important example of Greek Revival architecture. Its parish covers one of the wealthiest areas of London (Bloomsbury) and one of the poorest (Somers Town). As a Church of England parish church it acts as a centre for Christian worship and education, and as a focus of civic, community and cultural life in the Borough of Camden.

The PCC generates funding for the upkeep and work of the church, and employs staff to manage and maintain its seven-day-a-week ministry. It is responsible for safeguarding the assets of the church and generates income by voluntary collections, donations, and letting out the church, hall and grounds for community use.

Review of Activities

The full PCC met six times during the year, either in person or by video conference because of the Covid-19 pandemic. Over the course of the year the PCC:

- completed a Community Audit and revised its Mission Action Plan in the light of its findings
- discussed ways of reducing the church's carbon footprint
- regularly reviewed its finances
- maintained Covid-safe ways of working in the church and hall
- began planning the church's Bicentenary celebrations in 2022
- reviewed and approved its Health & Safety and Safeguarding policies and procedures;
- commissioned various building works including minor repairs to the roof and the pipework at the hall, a new flue for the church boilers, and the refurbishment of the strong room in the Parish Office
- undertook survey work on the caryatids in preparation for future conservation work
- received Faculty/Planning permission for the temporary display of a statue in the north garden and a new permanent addition to the south garden, a restored drinking fountain from St James' Gardens

Reserves Policy

Monies are set aside for specific purposes into restricted and designated funds. The purpose of holding a reserve as the General Purposes Fund is to enable the Church to cope with variations in its cash flow and to provide a fund of money should its income drop unexpectedly. Currently the Church receives income from its services, charitable activities, and letting out its premises. There

are expenses pertaining to these activities and the net income is taken into the General Purposes Fund. It has been considered that a reasonable amount to be held in the General Purposes Fund is at least £40,000, which equates approximately to four months of General Fund expenditure on church activities, and meets Charity Commission recommendations. Free reserves as defined by the Charity Commission amounted to £175,705 at the Balance Sheet date. The PCC continues to make efforts to keep free reserves in line with the stated policy.

Results for the Year

Net movement in funds for the year amounted to a loss of £12,604.

The church's regular income continued to be affected by the Covid-19 pandemic, but careful management of our expenditure kept the deficit within reasonable limits.

Total assets carried forward amounted to £529,563 compared to £542,167 in 2020. Within this total, restricted funds amounted to £371,016 and unrestricted funds amounted to £158,547.

Statement of the Parochial Church Council's financial responsibilities

Law applicable to charities in England and Wales and guidance issued by the Central Board of Finance of the Church of England require the members of the Parochial Church Council to prepare financial statements which give a true and fair view of the Parochial Church Council's activities during the year.

In preparing financial statements giving a true and fair view, the members of the Parochial Church Council should follow best practice and

- i) select suitable accounting policies and then apply them consistently;
- ii) make judgments and estimates that are reasonable and prudent;
- iii) state whether the Church guidance, applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;
- iv) prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Parochial Church Council will continue in operation. The Members of the Parochial Church Council are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the Parochial Church Council and enable them to ensure that their financial statements comply with the Church Accounting Regulations 2006 and the Charities Act 2011. They are also responsible for safeguarding the assets of the Parochial Church Council and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
